

## Honours Integrated Science, with a Concentration in Environmental Sciences {2299242}

### Admission

**Enrolment in this program is limited** and possession of minimum requirements does not guarantee admission. Selection is based on academic achievement but requires as a minimum, completion of Honours Integrated Science I with a Grade Point Average of at least 5.0.

### Program Notes

1. \*\*\* One of ENVIRSC 1C03, ENVSOCTY 1HA3 and ENVSOCTY 1HB3 must be completed by the end of Level II.
2. All students are strongly encouraged to meet with the academic advisor in the School of Geography and Earth Sciences to discuss program requirements and course selections.
3. Students are strongly encouraged to check prerequisites for upper-level ENVSOCTY and ENVIRSC courses. The prerequisites should be considered when selecting your courses.
4. The field components of ENVIRSC3ME3, ENVSOCTY 3MF3 are normally taken outside of the normal term. Details are announced in March.
5. Students may enroll in additional ENVSOCTY or ENVIRSC courses as electives.
6. It is strongly recommended that thesis work performed in ISCI 4A12 A/B is in a research field associated with a student's concentration.
